The regulatory environment within which the University operates creates a series of requirements the University

- To ensure the University is compliant with its legal requirements
- To ensure value for money is achieved in purchasing and can be demonstrated to students, funders,

The Financial Regulations

within a sound system of internal control that supports the achievement of policies, aims and objectives, and

the University. For further information, the Financial Regulations can be found on the Finance Website.

Durchasing Policy

The Purchasing Policy sets out the University's expectations with regard to the purchasing of all goods and services in order to achieve the best possible value for money for the University.

- of the source of funding
- in connection with their University duties

Particular implications for the use of purchasing cards are highlighted below.

alue for Money

The University aims to achieve value for money in all of its activities. With purchasing, this is achieved

goods and services against the total cost of buying and using them. Individuals need to ensure that they can evidence that they have achieved best value for money in all purchases, particularly those where they have selected alternative suppliers or not selected the quotation with the lowest price.

and budgetary control and place more reliance on the cardholder to identify value for money.

Failure to comply within the requirements of

otherwise fraudulent will be investigated under the procedures outlined in the <u>Fraud Response Plan</u>.

Individuals need to ensure that they understand and adhere to their responsibilities. This guide will support you with this.

The Purchasing Policy sets out the minimum controls expected. Heads of School and Directors of Professional Service are responsible for compliance within their areas of responsibility and may have additional local procedures to ensure value for money which should be followed where applicable.

subject to regular review by the University's internal auditors.

personal credit card)

- Where approved for cash withdrawals, they reduce the administration and security burden attached to advances
- They enable 'a better deal' for the University. For example, with card-only suppliers or where prices are changing rapidly (such as services purchased from the University's managed travel provider).

When is it appropriate to use a purchasing card?

1

2 The supplier only accepts card payments

3

4 It is not possible for the individual to access the University's Finance System at the point when the purchase is needed. For example, when travelling on University business.

When is it not appropriate to use a purchasing card?:

Purchasing cards are for use only in relation to the business of the University, and must never be used for personal purchases.

3

IR35, please refer to _____

Cash withdrawals:

It is recognised that travellers overseas may need to withdraw cash in order to facilitate the payment of expenses in certain places where a cash culture exists. Cash withdrawal facilities should be used in preference to a cash advance as they are more secure and avoid the need to transfer money into an individual's personal

Cash withdrawal facilities are not automatically set up on purchasing cards. Should you require a cash withdrawal facility, either permanently or temporarily, please contact the ______.

Part One - Policy and Guidance

What should I consider before using a purchasing card?

- The University has already been committed to the purchase before involvement of the budget holder their control is retrospective.
- •

occurs on a monthly basis.

•

STEP

holders.

When using a purchasing card the cardholder must be aware that the supplier's terms and conditions will apply in most situations, rather than the University's, and they will usually be responsible for ensuring the supplier is appropriate.

How do I fnd the right supplier?:

The route to the best value for money supplier will depend on the nature of the purchase and the expected cost

order), you will need to follow the questions in the order below to select the right supplier for your purchase. However, for purchasing card purchases (with the exception of managed travel) you should start at step 2.

Is there a contracted supplier in place?

(For purchasing cards this only applies for managed travel)

because it has been judged that they represent good value for money. Some of these suppliers support online <u>Finance website</u>.

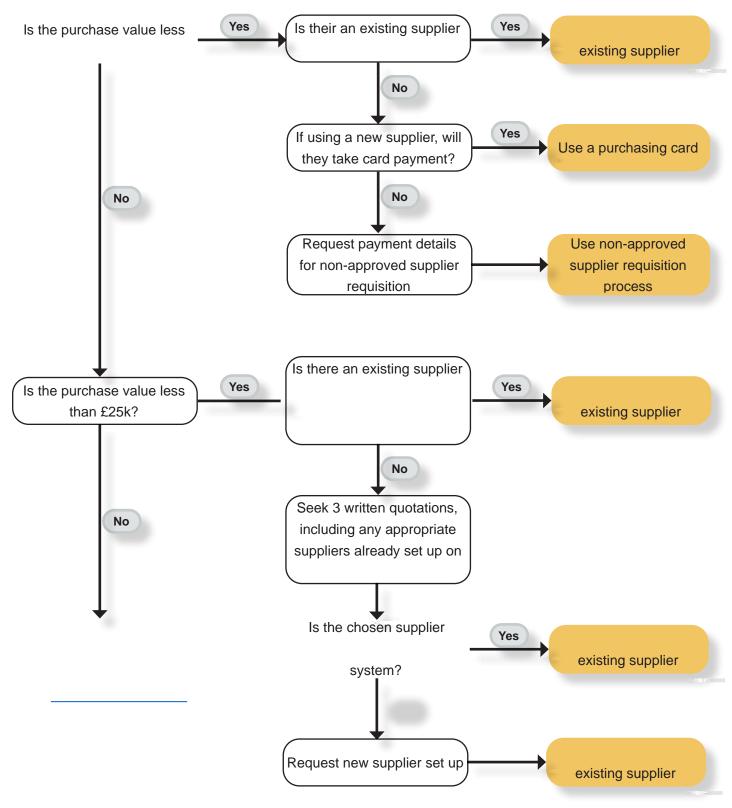

procurement process that established appropriate terms and conditions of business. University approved suppliers are subject to quality and performance review, and a list can be found on the <u>Finance website</u>. If an

approved for use may be proposed - as outlined in Step 3.

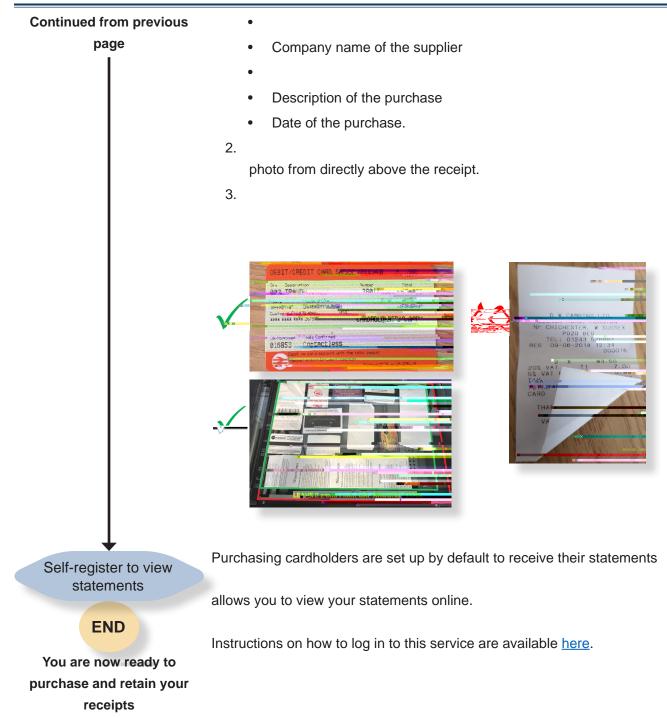

STEP 3 What if I still can't fnd my supplier?

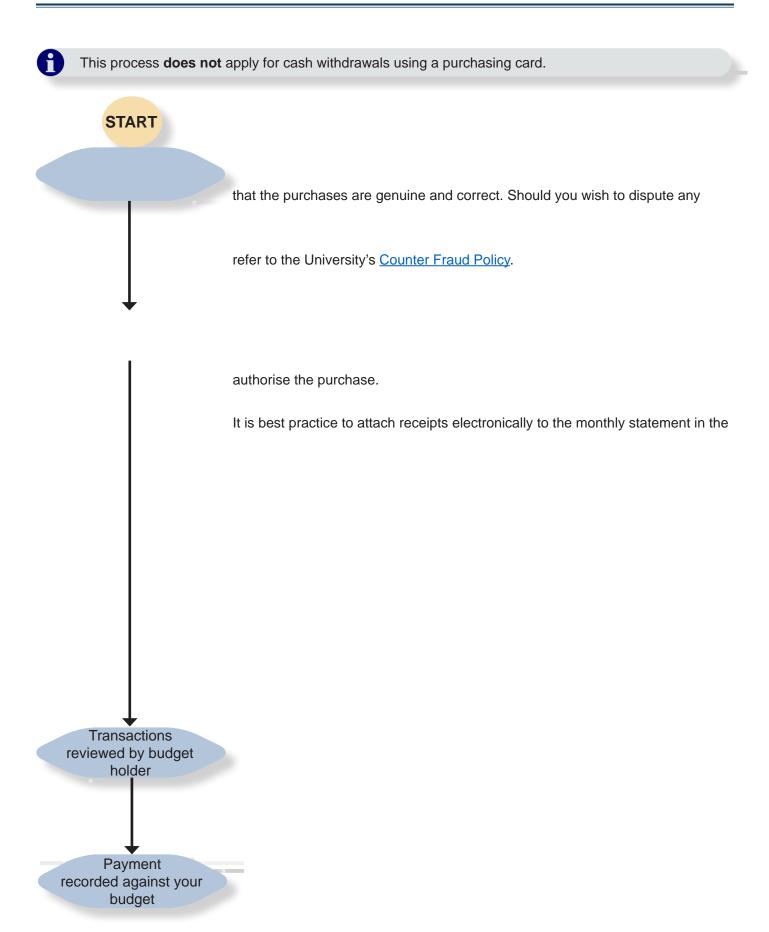

If your requirement cannot be met by a contracted supplier or an approved suppler, then you may engage a new supplier. The process for doing this is summarised in the Purchasing Policy and on the <u>Finance website</u>.

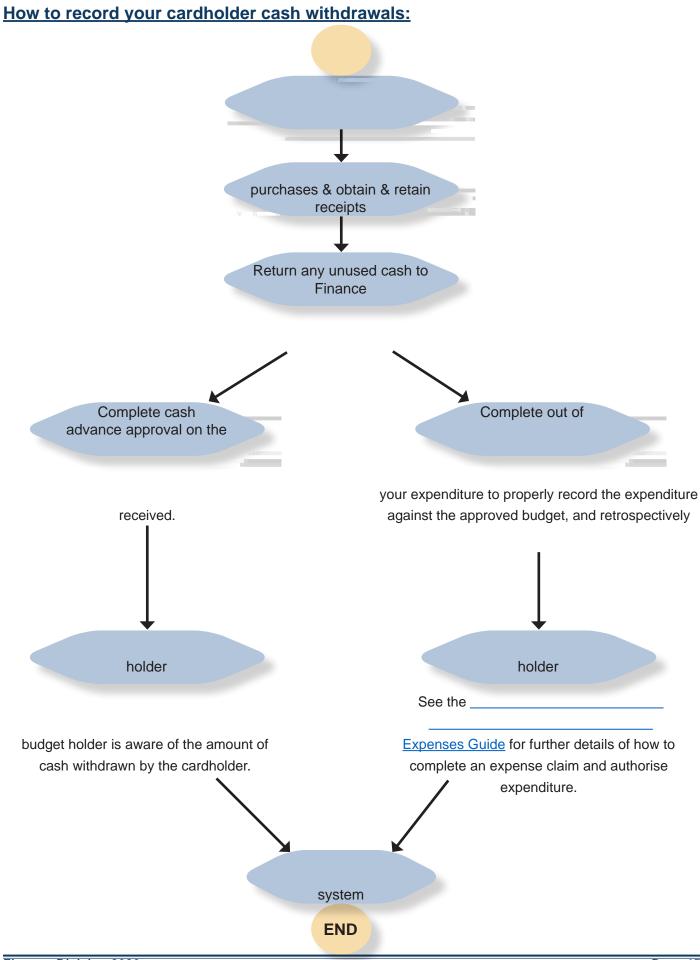

supplies).

Summary of processes for using a purchasing card Getting ready to use a purchasing card: This process **does not** apply for cash withdrawals using a purchasing card. START subproject codes & authorisation been granted from the budget holder. If the purchase is being made on behalf of someone else, they will need to provide evidence of budget holder authorisation. It is useful to record the name of the person requesting the goods or services, the subproject code and the budget holder authorisation in a transactions log (see example below), so that this information is to hand when it is time to For statement date: August 2019 35.137 Subprenet Meesu all the 🙄 । । ५५४१ मध्ये 🖓 Know how to obtain & the budget holder can review and authorise the expenditure. Receipts should retain receipts be retained physically or electronically (i.e. photographed or scanned) for six years plus the current year, in accordance with local arrangements, for future review and authorise the transactions. Receipts can be scanned individually and attached line-by-line to each authoriser, multiple receipts can be scanned to a single image. If multiple receipts are being scanned to a single image, these should be individually grouped by subproject (one group image per subproject). Images can be captured by: 1. 2.
