2. Reporting An Incident

- a. Where someone studying or working at the University observes or is informed of conduct by a student which may constitute disciplinary misconduct (the "Incident"), that person (or someone acting on that person's behalf) shall report such conduct to the Director for the Student Experience.
 - b. Incidents which occur outside the University or via a ~~University~~ mechanism (such as social media) may be dealt with under this Regulation.
 - c. The Director for the Student Experience may check the University records in order to ascertain whether the student has committed any previous acts of disciplinary misconduct and may provide that information to those involved in the disciplinary process if appropriate. The information may not be relied upon as evidence that the student has committed the alleged act of misconduct currently being considered under this Regulation but it may be taken into account when considering whether it is necessary to impose precautionary action, when considering which disciplinary route to follow and when considering sanctions.
- ## 3. Incidents that have been reported to the Police and may lead to criminal charges
- a. If the case is considered a criminal offence and is being investigated by the Police, the University's investigation will usually be paused until the Police investigation is completed. Support measures ~~sp-j]T421-1 (u)-0.6 (pd.001.4 i)-6 (nid)]TJ -0.001.4 dTJ 0 (s)]4~~
